- Cart
- Practice range
- Breakfast
- Lunch
- Gifts
- Awards reception

Register now!

<https://CityParkAllianceGolf.com>

City Park Golf Course is an urban parkland style course that sits in the heart of the city. A spectacular panorama of the downtown skyline and mountains provide the best view in the city as you enjoy your round of golf.

The City Park Campus includes the Denver Zoo, The Museum of Nature and Science, and the historic park itself. So much to see and do in one place! Help us keep it thriving.

Sponsorships Available!

This year, more than ever, **City Park Alliance** needs your help in our mission to advocate, educate, and empower residents and visitors to support City Park. Budget cuts from the city will impact all of Denver's parks, but with your sponsorship we can work together to maintain and enhance this urban oasis.
