Event Activities - Saturday, May 11, 12:00 p.m. - 3:00 p.m.

Tear Down and Cleanup - Saturday, May 11, 3:30 p.m.

Event Description

The 3rd Annual Parks, Rivers, Trails & Trees is a city-wide stewardship day and community celebration, and a great way for individuals and families to care for and celebrate our shared public outdoor spaces.

Presented by the Denver Park Trust, in partnership with leading conservation nonprofits, neighborhood organizations, and residents, Parks, Rivers, Trails & Trees will feature a city-wide volunteer park cleanup day at 15 parks across the city, including City Park, followed by a community celebration at City Park Pavilion.

Each organization will host a park cleanup event for neighbors, friends, families, and all who care about parks, open space, and the public realm. A community celebration will follow at the City Park Pavilion featuring food, music, fun and games, and more!

Please contact Frank Rowe, Denver Park Trust, at frank.rowe@denverparktrust.org or 303-829-1164 with any questions.
